If you have missed the first 4 days – you will not want to miss anymore. The Saratoga Automobile Museum and the Adirondack A's Model A Club have joined forces to build a 1930/31 Ford Huckster with local teens. This new project has been a hit with the young and old alike. You can actually watch several generations of auto enthusiasts' work together inside of the garage of the Museum. This month's project is to install the cowl, gas tank, steering column and steering components. You will also find them building lattice strips and varnishing all wood parts. So don't miss out on this fun day.

Also on display is: Corvette - America's Sports Car "features 16 spectacular cars from the collection of Jack Gillette.
