

Hi Bill, Merry Christmas and Happy New Year,

I am the organizer for the All Firebird Lawn Show at Albany-Saratoga Speedway. Our Firebird show donates 100 per cent of all proceeds to Special Olympics Capital District Region. We keep nothing for club operations or promotional costs.

I am also the organizer for the All Car and Truck Show at Albany-Saratoga Speedway. Our Car and Truck show donates 100 per cent of all proceeds to Saratoga Bridges, The premier community resource for people with disabilities and their families. Saratoga Bridges provides housing, staff, meals, job coaching, etc for so many people with developmental disabilities in our area and New York State funding is being cut. Saratoga Bridges does great work and needs help. That is why our All Car and Truck show donates 100 per cent of all show proceeds to Saratoga Bridges. We keep nothing for club operations or promotional costs.

Bill, I would truly appreciate your help in 2012. Your [www.Capitalcarshows.com](http://www.Capitalcarshows.com) website is the premier location for car show enthusiasts to find car shows and links. I ask for your help not for myself or my car club, but for Special Olympics and Saratoga Bridges. These organizations both need financial support from our car club and I would truly appreciate your support by placing notice of our 2 car shows on your [www.Capitalcarshows.com](http://www.Capitalcarshows.com) for 2012.

You can visit Special Olympics here <http://www.nyso.org/> and visit Saratoga Bridges here <http://www.saratogabridges.org/>

Feel free to call me personally if there is anything we need to discuss.

Thank you in advance for your consideration and Merry Christmas,

Tom.
